### ***Education***

Laura would like to schedule at least 2 more before the end of the year. Nancy at the library has offered to do an evening session about e-books.

### ***Membership***

Laura reported that we picked up 1 new member since the last Board meeting and 6 members have renewed their dues. Rhonda and Maryann will follow up with some of the businesses. Cindy and Laura will work on some of the rest. Dan has been sending out automated reminder messages indicating that unpaid members will be removed from the site April 1.

### ***Marketing***

Rhonda had scheduled a meeting with Scott Hanwell of DadoPrinting, and Sean Bohman but it needed to be rescheduled. It was suggested that we ask Dan if he has any way of monitoring the website to see if the traffic has increased since we updated it. Mike suggested that we use the website more to drive people to it. Maryann reported that the membership/benefits rack card is at DadoPrinting.

### ***Newspaper***

Deadline for the May issue is April 15. She is going to have DadoPrinting print the next issue.

## **Town Updates**

Laura B. reported that there were about 75 people at town meeting. All of the zoning articles passed. Warner is on the state's financial list for 2016 concerning the Exit 9 traffic study. Engineering is in process for the Safe Routes to School. A meeting will be held with neighborhood folks. The selectmen met with the school board concerning the Simonds School playground project and the school board has decided to postpone it for one year.

## **Other Business**

### ***Fundraising***

Mike suggested we have some sort of road race to raise money for the Chamber. Marc and Laura B. agreed so the three of them will work on it. They also talked about "Pond Hockey" with a possible "Battle of the Badges" game. Marc suggested they talk with Sean Bohman, Ernie Brake and Elizabeth Debrowski about the road race.

### ***Spring into Warner***

The retailers are doing this event on Saturday, May 19. They had asked if the Chamber would be willing to sponsor a bouncy house. Laura is working on getting information about the cost and also about the liability concerns. It was suggested that we contact Scott Miller of Webster to see if we could have him rent it and work off his insurance. It was pointed out that the Chamber could still get sued. **Action Item:** *Maryann will look into the cost of insuring a bouncy house.*

### ***Sunapee Chamber***

They have a Black Fly Tournament scheduled for May 17. Laura suggested running an ad for it in the Kearsarge Happenings and much discussion followed as to whether there should be a charge. Some felt we should promote each others' events but it was pointed out that the paper isn't making money and we struggle some months. **Action Item:** *Rhonda and Maryann will talk with Jen.*

They have also scheduled a Business After Hours on the Mt. Sunapee and want to do a joint venture. Rhonda is having discussions with them relative to what we want to contribute.
