

FOURTEENTH ANNUAL SMALL BUSINESS DAY

February 15, 2019
Holiday Inn, Concord

Small Business Day is an opportunity for small business owners and managers to meet peers from other small businesses across the state and receive valuable information to help grow their enterprises.

The event focuses on important challenges and opportunities facing small businesses like traditional and alternative financing options; retirement/succession planning for small business owners; talent recruitment and workforce development; and an update from legislative leaders from the NH House and Senate on issues of particular interest to small businesses.

BIA's Small Business Day is presented in partnership with [New Hampshire Division of Economic Development](#), [New Hampshire Small Business Development Center](#), [U.S. Small Business Administration](#) and over a dozen local chambers of commerce.
