#Shine Local

This year we are once again shining the local spotlight on childhood hunger happening in our own backyard. Many local, school-aged children have their backpacks filled by their school with enough food for them to eat at night and on the weekends to ensure they do not go hungry.

As a business community, it is time to take action and help those who need us most.

Last year New London businesses raised over \$6000 to start a food pantry in all 7 schools in the Kearsarge School District. We want to do even more this year! The more money we collect, the more food we can buy. Will your business join us this year and help the children who need us most?

Please join us with a minimum donation of \$50.
Email Penny@unleashednh.com to let me know if you would like to be part of our #shinelocal campaign.
