Spring into Warner

Concord Monitor Ad: Cheryl spoke to the Concord Monitor about advertising space and the cost for a whole page is \$2,000. It appears that based on the budget that we need to post the schedule of events and the \$200 sponsors in the ad and anyone wanting a more detailed ad will need to handle that on their own. The ad sizes and costs can be emailed to those parties who are interested. This conversation needs to continue at the next meeting before finalizing.

Battle of the Bands & Foot Hills BBQ: Angela spoke with the police department and they are all set. She still has not heard back from WYSA about selling concessions

Juried Artists: The question came up if there is still time for artists to sign up for the event. Cheryl said that there is still space available.

Summer Events

A discussion was had about a couple of ideas for summer events. One was to hold a Dancing with the Kearsarge Stars Contest, where locals could dance with more experienced dancers from the area and be judged by the audience. Also a dance held on the covered bridge the night of July 4th or another time was suggested.

NEXT MEETING: Thursday, April 22 @ 9:00 a.m. at White Mountain Gourmet Coffee
