Spring into Warner – May 14, 2011

Nancy is working on finding a group of youths to help out with the Fairy Houses and anything else we need.

KCPA's Fairy Houses will be located at Wingdoodle and at Brookside.

Angela will provide the footprints heading down towards Brookside.

Fire Dept. will have a bouncy house in the NHTM parking lot.

Laura would like to see other kid activities in the NHTM parking lot (i.e. chalk drawing, bubble machine, etc.)

Kay has a bubble machine at Wingdoodle.

Angela suggested a basket raffle filled with local goodies would be a good way to make some money. Tickets could be sold at each retailer. **Action Item: *Someone needs to take on this project.***

There is a conflict at the Town Hall between Faith's concert and Angela's dance demos/workshops. Laura will e-mail Faith to let her know and she and Angela can work out the schedule.

Laura sent an invitation to the NH Art Association. Nancy will compile a list of local studios and send them the info. Betty will send an invite to an Art Association that she used to belong to.

Carolyn will place the ads for us.

We have permission to set up on the lawn in front of Concord Hospital Rehabilitation.

Laura will send a reminder to everyone to get their participation forms in. We have only received a few to date.

Other Business

The InterTown Record has asked if we want a Warner Page in their 2011 Summer/Fall Guide. Many in attendance were interested. **Action Item: *Laura will send an e-mail to see how many we can get. The participation deadline is May 14.***
