## **WBA Annual Meeting**

Many hearty souls attended the WBA's Annual Meeting which was held in the middle of a blizzard on Wednesday, January 28. Marc Violette gave the crowd an update on what the WBA has been up to (paying particular attention to the great job the retailers have been doing!!) and talked about our goals for next year including changing from a business association to a chamber of commerce. Sugar River Bank reps also talked about the new Business Banking Center that they are rolling out here in Warner. The rest of the time was spent visiting with good food and fine spirits!!
