ReCap of Previous Meeting's Minutes

Angela reported that she has been working on The Battle of the Bands to be held in conjunction with the 2010 Spring into Warner Arts Festival. It was determined that Simonds School parking lot was the best location and that we would probably need to get electricity from the Town Hall. Rebecca suggested that Angela talk with Sean Bohman, Chair of the FFF Committee, to see how they get power in that area during the Fall Foliage Festival.

Kearsarge Connections Blog

Calendar of events, updating, links, change to Kearsarge Happenings (?). We need to make sure someone is monitoring the content and also should come up with a posting policy. **Since this blog is in connection with the Kearsarge Happenings publication that group should probably come up with the posting policy.**

Other Events

Christmas in July

This year 4th of July falls on a Saturday. The Legion is having a pancake breakfast, the Historical Society opens their exhibit at the Upton Chandler House Museum and the Barn Sale will be open. The Barn Sale will feature Christmas in July for the whole month. Rowe Mountain might do the same. The Telephone Museum, Wingdoodle, and Rowe Mountain are open. Is this an event we might want to expand upon next year?

Talent Show

Angela talked about organizing an area wide *You've Got Talent* featuring the towns of Warner, Bradford, and New London. Events would happen in each community with a grand finale featuring the top three winners. Admissions would go to KCPA and the Retail group could sell refreshments to add to our advertising coffer. Maybe create a gift basket to raffle off.

Other Business

Meg Whittemore talked about branding the Kearsarge Area Chamber of Commerce and list businesses in advertising. She also talked about an event held in a community she used to live in. The event was Hospitality Night held the first Friday in December featuring choral groups, caroling, food, and shopping. This is similar to our event the second weekend in December. We talked about the Festival of Trees weekend and how it needed help. The Chamber is going to work on that this year.

Angela talked about her recital in June and advertising in the booklet. Businesses could target a certain date (July 4th) when businesses could offer a discount or a promotion. Also a gift basket could be raffled. **Laura will send out an e-mail about the booklet and gift basket. Meg will coordinate the gift basket items.**

Nancy reported that the Pillsbury Free Library is having a magician program on July 28.
